We the class of '78
are getting ready to depart
We hate to leave this school
and break some teachers' hearts

It has been fun
being part of the school
We have enjoyed it
although we broke some rules

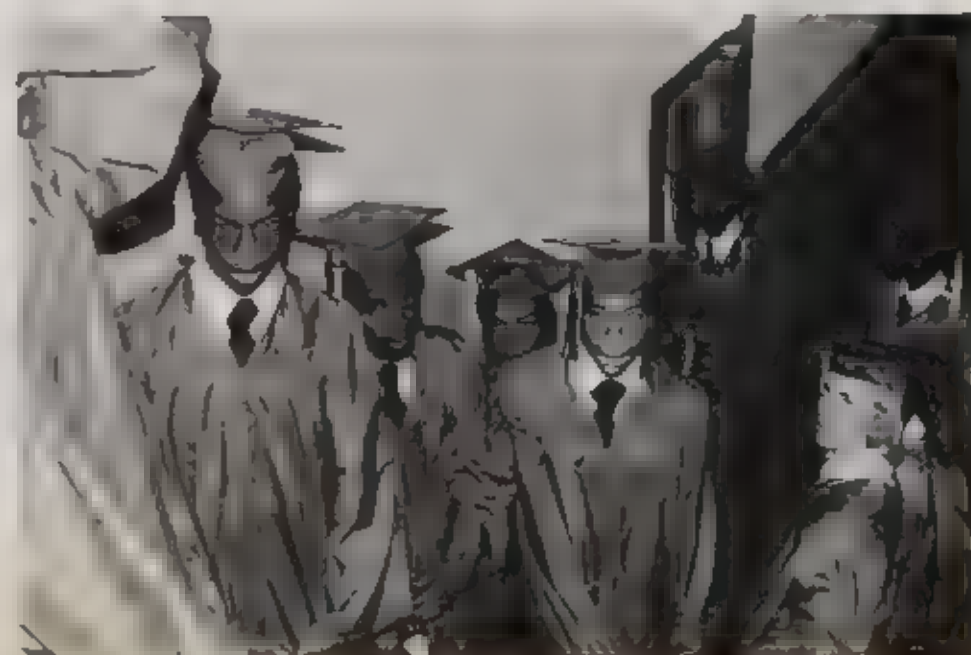

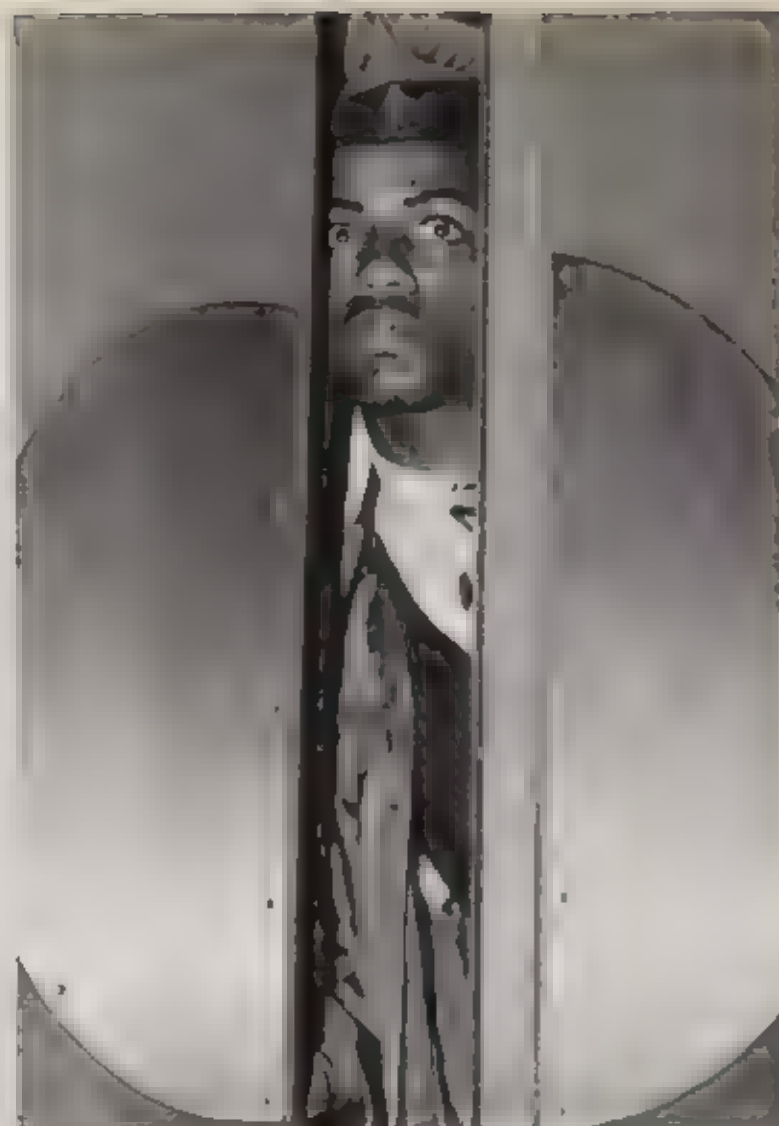

To the study hall, good-bye for now
'cause we hate all those quiet sounds
Good bye cheerleaders, track team, choir and band
The 10th and 11th grades will be on hand

Reading, Writing and Arithmetic
we have had our share
Teachers, please don't be too hard
on the ones that are left there

We are the class of '78
Look out world, it's now or never
We are the best and we know we're fine
We are the ones that will blow your mind

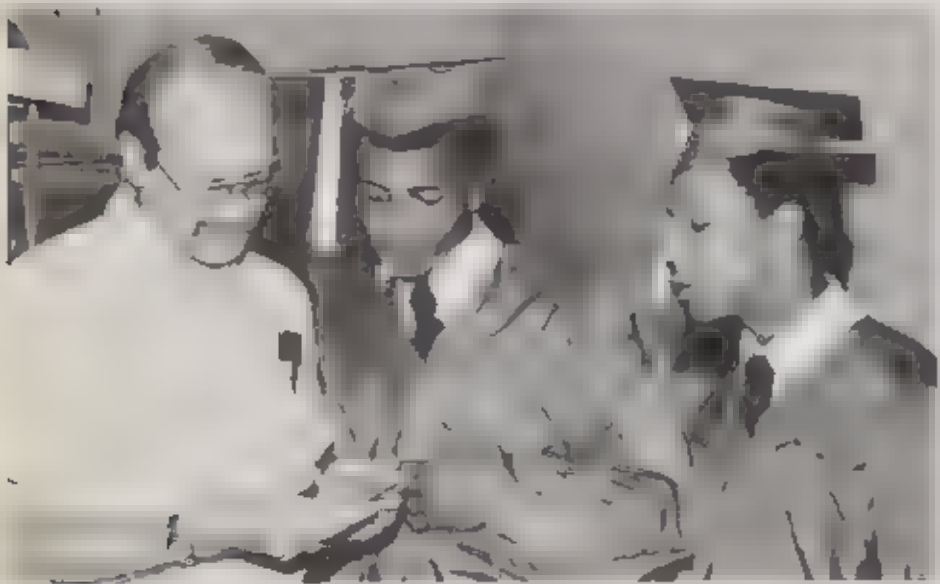

We are the class and we'd like to say

LOOK OUT BIG WORLD WE'RE ON OUR WAY!!!

Coach Davis to Indiana

Coach Lene Davis, coach of the Linden McKinley basketball Panthers, resigned his position and has resigned. Coach Davis plans to become an assistant coach at Indiana University. He will be working with Coach Bobby Knight, a former Ohio State University basketball star.

During his first year at Linden McKinley, Coach Davis had a winning season. The Panthers had an 18-8 record and captured the Class AAA crown.

The Panthers completed the 1977-78 season with a 21-4 record and reached the semi-finals in state tournament play.

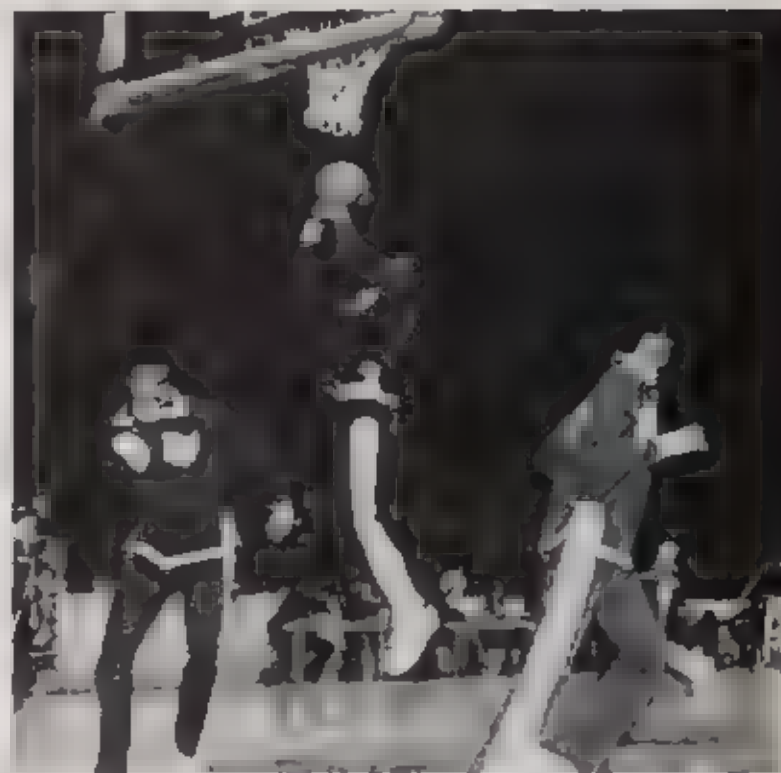

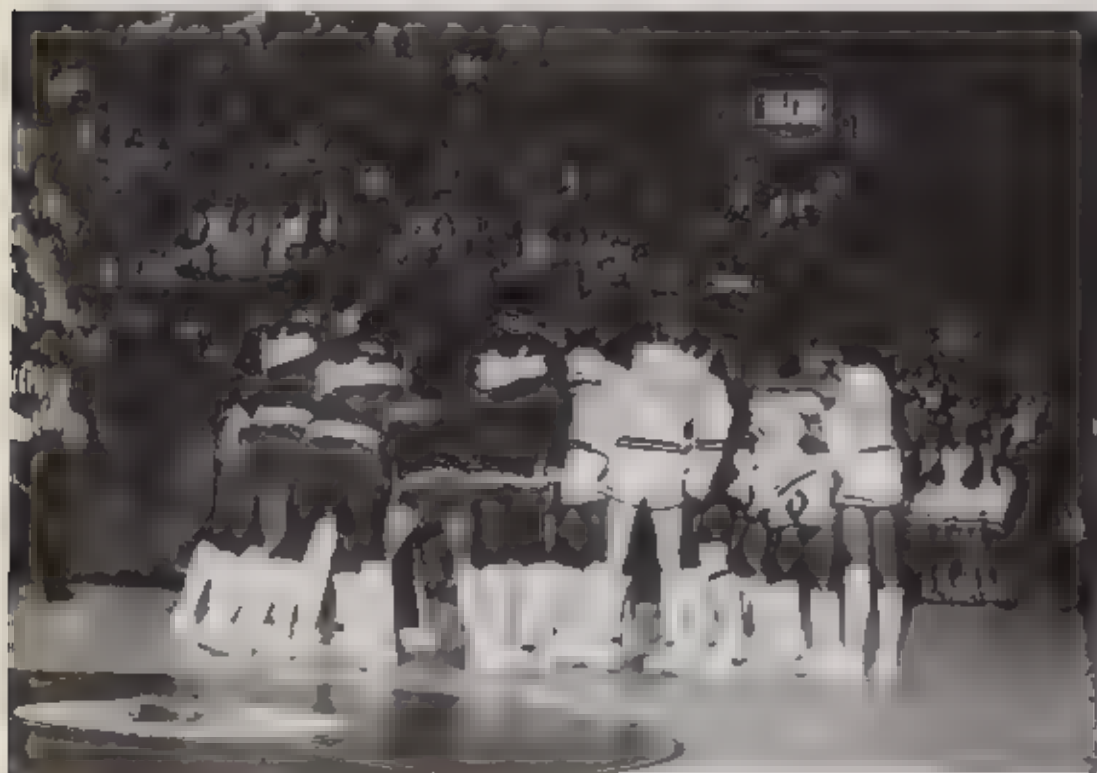

1976-77 again brought glory for Davis and the Panthers. They entered the state tournament with a perfect 26-0 record and for the second time in five years brought the AAA trophy to Linden.

The past season saw Linden making an attempt to go for two in a row. Linden lost, however, in the semi-finals round of the regional. The AAA team finished 27-1.

Coach Davis obtained in a most noticeable sports record in his ten years as a varsity coach.

3—working over the head coaching duties at Linden, Coach Davis served as a reserve coach and athletic director. During his four years as reserve coach, his teams combined 11 records. Coach Davis has also been the work study coordinator with Linden and Northside High School.

In his years at Linden McKinley, Coach Davis not only encouraged good basketball strategy, but also good scholarship and sportsmanship.

Dedication

Willie J. Anderson

Mr. Anderson believed in Linden McKinley, and we in turn believed in Mr. Anderson. Having been an assistant principal at Linden from 1966 to 1968, he returned to us as principal in 1971 to lead us through difficult but rewarding years.

He was tough when he greeted us as sophomores in the fall of the school year, and he told us that we had a responsibility to fulfill both to ourselves and to Linden McKinley. But we soon learned that Mr. Anderson was more than a strong principal who told us to take off our hats and do our homework. His door was always open to us and he was a part of our lives in the school and the community. He was with us whether we were at ball games or at church, in the school or in community activities. He listened to us when we told him that we wanted to decorate the student council room. He listened to us when we had victories to talk about. It didn't really matter what we had to say; Mr. Anderson listened.

Mr. Anderson, your belief in Linden McKinley has been worthwhile. We are number one. Our belief in you was equally worthwhile because you led us to the top. Although you have left Linden, you will always be a part of us.

Russell E. Friend

An assistant principal from 1972-1977, Mr. Friend often reminded the students of Linden McKinley that discipline was a part of school life. In fact, Mr. Friend could frequently be heard in the halls of Linden-McKinley as he told students to go to class or to get a hall pass or to go to his office.

We soon discovered, though, that Mr. Friend wanted us to do the right things because he cared about us and about Linden McKinley. We knew that his voice could also be heard cheering us on at the basketball games, the wrestling matches, the football games and the track meets. He wanted us to succeed because he cared about us.

When we had problems with other students, or with classes, or with scheduling, Mr. Friend was there to straighten out the difficulties. When we needed someone to take us to the ball game, we could depend on Mr. Friend to be there with his Mustang.

Mr. Friend, you were a key part of the team that brought Linden-McKinley to the top. You became a part of the Linden community and the school, and you helped to shape our lives because you cared. Thank you for being our friend at Linden.
